BALANCED VOLUME ARCHITECTURE

Team Turnover Rule: The 50 : 50 Ratio

Fair, balanced organizational volume calculation for all Milestone Rank Rewards.

TEAM BUSINESS CALCULATION (50% STRONG LEG : 50% WEAK LEGS)

All Milestone Rank Rewards require a balanced volume ratio: **50% from your Strongest Leg** and **50% combined from all Other/Weaker Legs**.

Example: \$10,000 Ruby Target

To achieve Ruby Director (\$10,000 USDT): Maximum **\$5,000 USDT (50%)** is counted from your primary strong leg, with remaining **\$5,000 USDT (50%)** from secondary legs.

Multi-Branch Stability

Encourages leaders to build robust, multi-branch organizations that protect the permanent financial security of the reward distribution pool.

DECENTRALIZED TECHNICAL BACKBONE
